STANDARD: Written policy, procedure and practice shall govern the type, frequency, and process for conducting searches. Information pertaining to searches of juveniles and visitors shall be posted in a conspicuous location within the Community Supervision Agency.

For a Community Supervision Agency to adopt a local policy which would include conducting strip searches or body cavity searches the following steps shall be required;

- Endorsed by the Juvenile Corrections Advisory Board (JCAB)
- Approved by all Boards of County Commissioners in which Searches will be conducted.
- Submit policy to the Commissioner of the Juvenile Justice Authority prior to implementation.

DISCUSSION: None

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies and their employees/contractors and juveniles under supervision. They are not intended to establish state created liberty interests for community supervision agencies or their employees/contractors, or supervised juveniles, or an independent duty owed by the Juvenile Justice Authority to community supervision agencies, or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
